

"Sincere thanks are expressed for the generosity shown by church members which resulted in the church finances reaching a stable situation in the last quarter of the year"

Possible intern placement; Accommodation needed. You may be aware that we hoped to recruit an intern in the autumn to help us with our work with children and families but were not able to recruit. Amelia who provided some input last year is now doing a degree which involves her having a work placement with a parish. Unfortunately, due to no fault of her own, her current placement is coming to an end. So we are looking at the possibility of her coming to be based with us at SJB for 6 months for an intern placement. There are a number of arrangements that need to be made which we are trying to sort to make this possible. One of these is accommodation; we would need to provide rent-free accommodation, ideally in the Little Marlow/Well End area. Could you think and pray about whether this is something you might be able to offer for all or part of the time? We are looking at end of March-Sept. Please talk to Sarah if you might be able to help or want to know more. And all please pray as we look at this possibility. Thank you.
