

Eco church: We have just measured the annual carbon footprint* of ST JB (3 tonnes of carbon dioxide). If you would like to measure your own personal carbon footprint then go to this link. www.carbonindependent.org
*A carbon footprint measures all the carbon dioxide (CO2) and other greenhouse gases emitted directly or indirectly by an activity or product we use. E.g. driving your car, flying on holiday, heating and lighting your home, getting rid of your waste

Church Cleaning Working Party and Grounds tidying “Saturday 17th March. 10am-12.00. Come and join the fun!

7:00 PM Tuesday, March 20 A Presentation of the PARISH GIVING SCHEME by Jonathan Farnhill Director of Generous Giving, Oxford Diocese All Saints Church, Bisham

The Parish Giving Scheme is an excellent means of encouraging greater generosity within your church. The scheme enables people to give to their church by direct debit. There are significant benefits to this scheme compared to other ways of giving. Gift aid is automatically processed by the Parish Giving Scheme every month, saving the church considerable time and improving cash flow. Givers can choose automatically to increase their giving by the rate of inflation every year. This tackles the problem of static giving, where people’s giving ordinarily remains the same year on year whilst the costs of the church rise continually due to inflation. Givers can also choose to give anonymously if they wish. Over 20 dioceses have adopted the Parish Giving Scheme, and all are seeing increases in giving as a result.

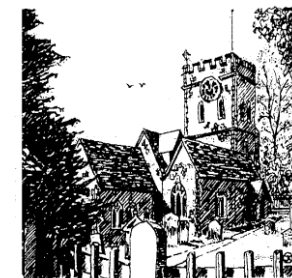

A celebration of godparents - on Sunday April 29th at ASM 3.00 to 4.30 for a 30-minute service followed by afternoon tea and activities.
