TOGETHER IN PRAYER IN MARLOW & MARLOW BOTTOM

A Prayer for Christmas Lord Jesus, this Christmas as we sing the familiar carols, hear the familiar readings and ponder on familiar mysteries, give to us the gift of pure worship – that ability which Mary had of attributing to you your true worth, your full value, your inestimable greatness. Teach us to be reverent; yet teach us how to express the love that burns within our hearts as we think of your goodness to us that you have come to be our light in darkness, our hope in despair, our strength in weakness, our shelter in the storm – yes, and our eternal Saviour.

Pray for all those visiting our church at this special time may we be welcoming and offer hospitality in the name and Spirit of our Saviour Jesus Christ and share his love and joy for all people

Give thanks for the teams who prepared all aspects of the Christmas services, choirs for beautiful singing and music, children's volunteers for the Crib services the flower ladies for floral displays and the lay leaders and clergy for outstanding services

Pray for children who had no special moments or treats this Christmas, those from broken homes, living on the streets, alone and afraid. All those who have lost loved ones, homes and everything they own as a result of the tsunami in Indonesia. Pray for those offering practical support and refuge

Pray for all those at home and abroad whose lives have been altered by violence, terrorist acts, severe weather and tragic accidents. **Pray** for our broken world, those continuing to flee from violence and poverty that seek a better future in foreign lands, pray they will find a welcome and a decent place to live with support to make informed decisions about their future and the best way forward with hope. **Pray** for the oppressed and suffering, the lonely lost and abandoned. **Pray** for those working to bring relief and genuine hope for all in need.

Pray for those who are sick in body mind or spirit and all those who struggle to make sense of their lives, and are facing personal times of crisis. **Pray** for those who are elderly and housebound, or living in residential homes with few friends or visitors. **Pray** for those recovering in hospital or at home, those waiting for treatment; those coming to terms with disability or changed lifestyles, especially for those in our church family and community.

Pray for those who have recently died and those who are still missed and give thanks for their lives; may those who mourn know the peace of Christ **Pray** for doctors, nurses, technicians and carers who use their God given skills to heal and to mend **Give thanks** for those who are healing.

A Happy and Peaceful New Year to All
