Improving Communications

The team council has set as a priority for the next twelve months
improving communications within the team and across the wider
community. We recognise that one size does not fit all and so all types of
communication will be under review, as will the various means we use to
communicate with our multi-age communities.

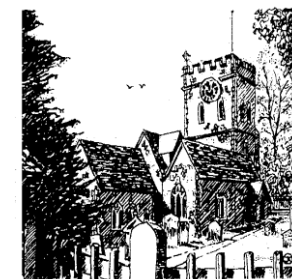

The first stage in the review is to establish by which means our many
communications are seen by you and to establish how you would prefer to
receive them.

If we have your email address you will be receiving a link to an internet
survey which we hope you will follow and complete. Your completed
survey will be sent for analysis automatically. If you do not have access to
email then you can pick up a paper version today at the back of the
church. Please hand your completed survey to either a church warden or to
the parish office.

We really want to push on with improving our communications but to be
most effective we need your help! Please return the completed survey as
soon as possible. Thank you.

FINALLY Ever feel out of the loop, missed a Sunday and not sure what is going on?
Send your email address to dallas@dbanco.co.uk **and I will send you an electronic**
pew sheet. Please send any additions or amendments for this pew sheet to Dallas Banfield
at dallas@dbanco.co.uk or telephone 01628 526851 by 6pm on Wednesday of each week
