Improving Communications

The team council has set as a priority for the next twelve months improving communications within the team and across the wider community. We recognise that one size does not fit all and so all types of communication will be under review, as will the various means we use to communicate with our multi-age communities.

The first stage in the review is to establish by which means our many communications are seen by you and to establish how you would prefer to receive them.

If we have your email address you will be receiving a link to an internet survey which we hope you will follow and complete. **You can also complete the survey by typing <http://4u-team.org/4Usurvey> in your internet browser.** Your completed survey will be sent for analysis automatically. If you do not have access to the internet then you can pick up a **paper version today at the back of the church**. Please hand your completed survey to either a church warden or to the parish office.

We really want to push on with improving our communications but to be most effective we need your help! Please return the completed survey as soon as possible. Thank you.

Do you have an interest in / knowledge of websites? We're looking for a volunteer to represent Marlow Bottom on a Website Team which will work to develop the Marlow team website as part of the Communication project.

Rev. Sarah Fitzgerald is leading the team. If you might be interested or want more information, email Sarah at sarah.fitzgerald@4u-team.org or see Kathy Burns or Nigel Lewis.

Holiday request. If you are visiting other churches during the summer, please could you look out for any news sheets, magazines, etc which could give us ideas for our own parish. Please bring them back and give them to a Church Warden or hand them in to the Parish Office. Thank you.

TOGETHER IN PRAYER IN MARLOW & MARLOW BOTTOM

Week beginning 25th August

THE WORLD IS BEAUTIFUL Because the world is beautiful, and beauty is a tender thing, and we are stewards of creation, we need you God. We need you, God. Because human knowledge seems endless, and we do not know what we do not know, we need you, God. We need you God. Because we can live without you, and we are free to go against you, and could worship our wisdom alone, we need you, God. We need you, God. Because you came among us, and sat beside us, and heard us speak and saw us ignore you, and healed our pain and let us wound you, and loved us to the end and triumphed over all our hatred, we need you, God. We need you, God,

Pray for all those who visit our church today may we be welcoming and offer hospitality in the name and Spirit of our Risen Lord Jesus Christ and share his love and joy for all people. **Pray** that those seeking to grow nearer to God may find our church a place of quiet reflection, a calm oasis in a busy and complicated life. **Give thanks** for the blessings each one of us has received this week.

Pray for all those receiving the results of examinations, celebrate with those who are successful, and looking forward to new experiences and pray for those who are disappointed and may they know that if one door closes God will open another, so trust and have faith.

Pray for Matt as he takes up his role of Youth and Children Leader, may he build his teams and feel supported by all currently involved as volunteers in the various youth and children's groups

Pray for all those at home and abroad whose lives have been altered by violence, terrorist acts, severe weather and tragic accidents. **Pray** especially for Christians who face violence and death for their faith. **Pray** for the oppressed and suffering, the lonely, lost and abandoned, refugees and displaced people. **Pray** for those working to bring relief and genuine hope for all. **Pray** for peace and calm negotiation in the Middle East, in Pakistan and India.

Pray for all those in government and positions of authority that they will make wise and good decisions in the interests of those they have sworn responsibility for, and put aside personal ambition and self interest in the name of peace, respect and prosperity for our United Kingdom for the world and its needs. We pray for a successful resolution to the negotiations around Brexit and for a peaceful transition.

Pray for those who are sick in body mind or spirit and all those who struggle to make sense of their lives, and are facing personal times of crisis. **Pray** for those who are elderly and housebound, or living in residential homes with few friends or visitors. **Pray** for those recovering in hospital or at home, those waiting for treatment; those coming to terms with serious illness, disability or changed lifestyles, especially for those in our church family and community. **Pray** for the doctors, nurses, technicians and scientists who use their gifts and skills to bring healing and recovery.

Pray for our Pastoral Care Team and the Bereavement Visitor, supporting those with needs in our church. **Pray** for all young people who suffer from mental stress which overwhelms them, and for those who work to understand these processes and offer meaningful and successful therapy.

Pray for those who have recently died and those who are still missed and give thanks for their lives and comfort to those who mourn.
